FSB Roses and Backplates
for Scandinavian Standards

www.fsb.de

www.fsb.de/ISO14025

FSB and SSF have played a pioneering role worldwide by issuing Environmental Product Declarations (EPDs) to ISO 14 025 for specific materials and across ranges. The DGNB certificate is awarded by the German Society for Sustainable Construction for environmentally sensitive, costeffective, user-friendly buildings.

The following EPDs are available in German and can be requested free of charge:

– Door lever handles, window handles, isis T300* in aluminium: EPD-FSB-2010111-D
– Door lever handles, window handles, isis T300* in stainless steel: EPD-FSB-2010211-D
– Door lever handles, window handles, isis T300* in bronze and brass: EPD-FSB-2010311-D
– Barrier-free ErgoSystem® (stainless steel): EPD-FSB-2010411-D
– Locks and striking plates: EPD-FSB-2010511-D

* Electronic access management
